

APPLICATION TO JOIN THE ALVINGTON TURBINE COMMUNITY FUND ADVISORY PANEL

Use this Application Form to apply for a voluntary role on the Alvington Turbine Community Fund Advisory Panel. Completed Application Forms will be accepted until midnight on 15th September. Successful applicants will be notified by the end of September.

Name:

Please specify whether you are a current resident of Alvington or Aylburton :

Address:

Contact Email:

Contact Telephone:

Q1: The society is keen to appoint individuals who are community minded.

Describe in a few lines what you feel is important about 'community'

Q2: The society is seeking to achieve a balanced community representation in its Advisory Panel where relevant experience and fresh perspectives are each valued.

Please indicate if you are currently involved/participate in any community activity or club/organisation (providing brief details as appropriate).

Please also indicate whether this would be your first voluntary community role or one of a number.

Q3: Advisory Panel Members must be supportive of the Alvington wind turbine and the Society's aim, to help build community resilience in Alvington, Aylburton and environs.

Using your own words, provide a brief description of the Alvington community wind turbine project, as if you were describing the project to a visitor to the area.

Q4: Reasons for your interest

Please provide a paragraph or two about yourself, and tell us why you are interested in a voluntary role on the Advisory Panel.

Completed forms may be submitted [online](#), or returned by email to REACR@theresiliencecentre.co.uk, or posted to the society's registered address: Resilient Energy Alvington Court Renewables Limited, Woodlands, Woodside, Woolaston, Lydney, Glos. GL15 6PS.
