## **GREAT DUNKILNS TURBINE COMMUNITY RESILIENCE FUND - TERMS AND CONDITIONS FOR RECIPIENTS**

Successful projects must be of clearly defined benefit to the community of St Briavels and environs.

Receipt of any funding received from the Great Dunkilns Turbine Community Resilience Fund must be acknowledged by grant recipients if they mention their project publicly.

Prior to expenditure, funding recipients will be required to provide evidence that the use of the funding granted, will be in accordance with the application approved for funding.

The Society may detail approved projects and funding recipients within its own publicity and in related activities concerning community resilience.

Funding recipients must provide a suitable photo of the project activity which the funding has helped to facilitate within 6 months of receipt of funding.

If for any reason an approved project does not go ahead within 6 months of funding being granted to the recipient, the funding must be returned to the Great Dunkilns Turbine Community Resilience Fund for reallocation to future applicants, unless an extension of time has been agreed and put in writing by the Board of Resilient Energy Great Dunkilns .

Retrospective applications (ie where expenditure has already been incurred) will be ineligible for funding from this source.
