Contact Telephone

Question 1: The society is keen to appoint individuals who are community minded. Describe in a few lines what you feel is important about 'community'

Question 2: The society is seeking to achieve a balanced community representation in its Advisory Panel where relevant experience and fresh perspectives are each valued. Please indicate if you are currently

involved/participate in any community activity or club/organisation (providing brief details as appropriate). Please also indicate whether this would be your first voluntary community role or one of a number.

Question 3: Advisory Panel Members must be supportive of the REMR wind turbines and the Society's aim, to help build community resilience in Kingswood, Wickwar, Hillesley and environs. Using your own words, provide a brief description of the REMR community wind turbine project, as if you were describing the project to a visitor to the area.

Question 4: Reasons for your interest Please provide a paragraph or two about yourself, and tell us why you are interested in a voluntary role on the Advisory Panel.

Completed forms may be submitted online, returned by email REMR@theresiliencecentre.co.uk, or posted to the society's registered address: Resilient Energy Mounteneys Renewables, Woodlands, Woodside, Woolaston, Lydney, Glos. GL15 6PS.
